Authority for Expenditure of \$ 750.00 is requested for purpose of erecting temporary
bunkhouse ~~to property~~ at Gerber, Calif.
(Station or Location)

Description of project:

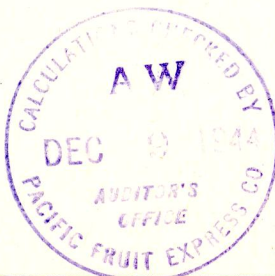

Construct temporary portable bunkhouse 9' x 40'.

Recommendations:

Local labor at this location is exhausted, necessitating our importing Mexican Nationals to supplement our limited crew.

Present facilities consist of one permanent bunkhouse which will accommodate 12 men, while we estimate 20 men will be needed during July, August and September.

Proposed temporary bunkhouse will accommodate 8 men and as we do not anticipate that we will require bunkhouse after the duration the expenditure is properly chargeable to operating account as shown.

(Included in 1945 Budget.)
